

Answers to the questions about Beatles and John Lennon!

1: He should be 63 years in the year 2013.

2: The music of Beatles was revolutionary and John Lennon had options against the war in Vietnam.

3: He told to a reporter he was more popular than God.

4: He protested against the war in Vietnam.

5: He was killed by a fanatic fan with the name Mark Chapman if Mark will be famous by he killing a big star.

Note

I like the Vietnam war and have lots of movies and games about the Vietnam war, I often take moments and episodes from the Vietnam war and from modern warfare to my roleplaying about foxes and other animals if fighting just soldiers and pilots in the Third World War against evil humans for animals liberation!
